Warning

We are informed that at some cafes, restaurants and gardens beer and strong drinks have been sold under the guise of the popular soft drink, BEVO.

These reports have been confirmed sufficiently to compel us to take action.

The beverage BEVO enjoys the protection of both federal and state authority. In preparing it for sale and in marketing it, we adopt every possible precaution to protect the public against imposition and to prevent evasion of the law. BEVO is sold in bottles only, we bottle all of it ourselves, and we have adopted a kind of bottle, crown and seals designed to prevent imitation.

We shall omit no measure within our power to defend the authority under which BEVO is manufactured and sold, to protect the public from imposition, and to safeguard the good name of this Association.

We therefore give fair warning that we shall refuse to sell our products to those who are found guilty of the above offense.
